

14 February 1951

Dear General Dager:

Thanks for your letter of February 10th. I am glad to learn that you are getting a little rest between jobs.

I do want to see you and, if it would be convenient for you to come to Washington at any time during the next two weeks, I would like to talk with you before March and as I am scheduled to leave on a short trip beginning the 4th.

If you will drop me a note indicating when you will be here or, upon arrival, call my office, I [redacted] [redacted] we will work out a mutually convenient time.

Sincerely,

*Walter B. Smith*
